Report of the auditors in accordance with article 156 of Legislative decree no. 58 of 24 February 1998 (now article 14 of Legislative decree no. 39 of 27 January 2010)

To the shareholders of
Enel S.p.A.

- 1 We have audited the separate financial statements of Enel S.p.A. as at and for the year ended 31 December 2009, comprising the income statement, statement of comprehensive income for the year, balance sheet, statement of changes in equity, statement of cash flows and notes thereto. The company's directors are responsible for the preparation of these financial statements in accordance with the International Financial Reporting Standards endorsed by the European Union and the Italian regulations implementing article 9 of Legislative decree no. 38/05. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2 We conducted our audit in accordance with the auditing standards recommended by Consob, the Italian Commission for Listed Companies and the Stock Exchange. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the separate financial statements are free of material misstatement and are, as a whole, reliable. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by directors. We believe that our audit provides a reasonable basis for our opinion.

We carried out our audit of the separate financial statements as at and for the year ended 31 December 2009 in compliance with legislation ruling during the year.

The separate financial statements present the prior year corresponding figures and the balance sheet as at 1 January 2008 for comparative purposes. As disclosed in the notes, the company's directors restated some of the corresponding figures included in the prior year separate financial statements and balance sheet as at 1 January 2008, which derives from the separate financial statements at 31 December 2007. We audited such separate financial statements and balance sheet and issued our reports thereon on 10 April 2009 and 22 April 2008, respectively. We have examined the methods used to restate the prior year corresponding figures and related disclosures for the purposes of expressing an opinion on the separate financial statements at 31 December 2009.

- 3 In our opinion, the separate financial statements of Enel S.p.A. as at and for the year ended 31 December 2009 comply with the International Financial Reporting Standards endorsed by the European Union and the Italian regulations implementing article 9 of Legislative decree no. 38/05. Therefore, they are clearly stated and give a true and fair view of the financial position of Enel S.p.A. as at 31 December 2009, the results of its operations and its cash flows for the year then ended.

- 4 The directors of Enel S.p.A. are responsible for the preparation of a report on operations and a report on the corporate governance and ownership structure in accordance with the applicable laws and regulations. Our responsibility is to express an opinion on the consistency of the report on operations and the information required by article 123-bis.1.c/d/f/l/m and article 123-bis.2.b of Legislative decree no. 58/98 disclosed in the report on the corporate governance and ownership structure with the financial statements to which they refer, as required by the law. For this purpose, we have performed the procedures required by the Italian Standard on Auditing 001 issued by the Italian Accounting Profession and recommended by Consob. In our opinion, the report on operations and the information required by article 123-bis.1.c/d/f/l/m and article 123-bis.2.b of Legislative decree no. 58/98 disclosed in the report on the corporate governance and ownership structure are consistent with the separate financial statements of Enel S.p.A. as at and for the year ended 31 December 2009.
